Join us to celebrate the beginning of the 2008 gardening season. Our presenters will be:

***Ken Breese on Hypertufa.*** Ken will show us how to make these popular troughs, and give us suggestions on the care and planting of them.

***Anita Peterson on Flower Arranging.*** From West End Florist in Bedford, Anita will give us pointers on displaying our blooms effectively.

***Don Compton on Nuts, Persimmons, Pawpaws.*** Mr. Compton is known throughout the Midwest as a leading grower of some of our favorite trees. He will give us ideas on how to fit these into our plantings and make them productive.

***Alec Hosterman Photography.*** Have you ever wondered how the pros get those great shots? Mr. Hosterman will show us some of the tips and tricks the pros use in taking those special photos.
